Absolutely everything is included in your monthly tuition.

- ATTENDING MORE COMPETITIONS WITH AN IMPROVED SCHEDULE.

More 1-Day, Local Regionals to prepare for bigger 2-Day Nationals.

More time to prepare between each competition!

The 2013-14 season will include TECC's first trip back to NDA Nationals in 4 years!!

- SOL WILL ONCE AGAIN BE SHOOTING FOR A WORLDS BID!!

After a couple seasons off, TECC's Dance Program will once again be setting up its training and competition schedule to shoot for a bid to USASF WORLDS in Orlando!!

Setting this goal will increase the expectations to be placed on the Sol team.

2013-14 ALL-INCLUSIVE TEAM TUITION

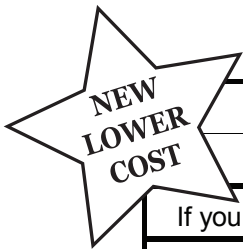

For the 2013-14 season, "All-Inclusive" absolutely means "All-Inclusive." In previous seasons, purchases such as performance costumes, dance shoes, make-up and work-out gear were made in addition to your monthly tuition. This resulted in months with \$200 or more in additional dues. This season, members will have the option to work in everything to their monthly tuition. Absolutely everything is included.

This way, you will not make a single additional payment to TECC for the entire season!!

The fee schedules below list both the "All-Inclusive" tuition rates as well as the rates for those members that choose to pay for their costume & shoes up front. This gives you the option to lower your monthly tuition by making this purchase up front. The costume will be the same as the "Beast" routine from March.

As always, TECC does not charge additional gym tuition to members of its All-Star Cheer Teams that want to also dance. Please refer to the fee schedules for cheer team members on the next page.
