A TECC "TID-BIT"

TECC's "BURN" theme for our Team Names was created in 2005, midway through our 1st season, by the staff, some friends & a couple of team parents (at a hotel in San Antonio.)

It was meant to embody the "Inner Fire" or "Desire" that must be inside each athlete that wishes to be a great cheerleader. That....and we thought the "Fire" theme was cool !!

We probably brainstormed 50 possible team names that night....

Here are some we've used:

FireStorm	HeatWave
Inferno	CrossFire
Red Hots	3D (3rd Degree)
SpitFire	C-4 (Coed 4)
Blaze	Hellcats

Here's some that didn't make it:

Embers	Phoenix Pliers
Flamers	Shooting Stars
Flamethrowers	Spice Girls
Fireballs	Bonfire Babes
Hot Tamales	Bottle Rockets
Little Smokies	Hotties
